Re: Dino Antolini v. 75 & 81 Orchard Associates LLC, et al.
Docket No. 1:19-cv-05894 (LGS)

Your Honors:

The law firm of Rivkin Radler, LLP represents Erwin Schrottner, Andrew Chase, and Graz Restaurant LLC (the “Defendants”). We write in furtherance of Magistrate Judge Freeman’s December 14th Order requesting a status report and Plaintiff’s unilateral communication filed at Docket No 113. The Parties have reached a resolution as to the monetary amount and property modifications. In this regard, Defendants anticipate being able to memorialize this in a formal settlement agreement shortly after the New Year.

Respectfully,

RIVKIN RADLER LLP
